Stephen Pereff, President  
Pereff Development Group  
609 North Aster Place  
Broken Arrow, OK 74012

Dear Stephen:

This letter is intended to share my experience with your company, Pereff Development Group, so far during the construction of my new dental office, Tulsa Premier Dentistry. As you know, your company came highly recommended to me within the dental community. I was initially impressed with a few key qualities: the time you took to personally meet with me to truly understand my needs and vision, your professionalism and your urge to stay within or under budget.

During this journey, you have always been available for me whether you were answering late night emails and texts or spending your valuable time meeting vendors with me to discuss design details. With me being new to building an office, you made the entire process smooth and easy. Your ability to explain what needs to be done and your exceptional attention to detail, streamlined the process. Additionally, your extensive knowledge and experience saved me tens of thousands of dollars by you working with your subcontractors to design the MEPs as opposed to having an architect do it.

Your understanding of my budgetary requirements was critical and I was never made to feel like my vision was unattainable. You knew precisely what needed to be done to stay within my strict budget and even allowed me to still add high-end design elements.

The project manager I was assigned, Eric, has been nothing but amazing to work with as well. He represents your company with integrity, knowledge and professionalism, just as you should expect. He has stayed on schedule and has been able to make quick tweaks that I've requested along the way without hesitation and with a positive attitude.

It has been a pleasure to work with you and your company. I can assure you that I will contact you for any future project needs and will highly recommend your company to those I know needing a contractor. Thank you for making my dreams on paper a reality!

Sincerely,

A handwritten signature in black ink, appearing to read "Ryan Coursey", written over a white background.

Ryan Coursey, DMD
